

# THE CARE AND FEEDING OF AN **ALMOST ADULT**

## **PAPER BAG POPCORN**

### **INGREDIENTS**

- 1/4 cup good quality popcorn
- 2 teaspoons olive oil
- 1/4 teaspoon salt
- (Sprinkle in a seasoning mix, if you have some)
- Paper lunch bag
- Stapler

### **DIRECTIONS:**

- ✓ Toss the popcorn with the olive oil, salt and seasoning mix in the paper bag.
- ✓ Fold over the top of the bag and staple to close. Place the bag in the microwave and microwave on high for 2 minutes to 3 minutes, or until there are about 5 seconds between pops.

**Note:** We know what you're thinking about the staple, but it's fine! Omit if you're concerned and just roll over the top. Hey, don't leave the area when you're doing this; that burned popcorn smell lingers, says the voice of experience.
